1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Attachment to Notice of Non-Compliant Amendment

1. The amendment to the specification filed on December 13, 2006 does not comply with the requirements of 37 CFR 1.121(b). 37 CFR 1.121(b) requires that replacement paragraphs show changes relative to the previous version of a paragraph: additions must be shown by underlining, and deletions by strike-through (or, when indicating the deletion of 5 or fewer consecutive characters, by double brackets).

In the instant case, with regard to the "Amendment to Specification" filed December 13, 2006, it is noted that, as compared to the (non-compliant) Amendment of August 28, 2006, the amendment now refers to the correct location in the specification. However, the text in applicant's amendment still includes changes that are not properly illustrated by markings. For example, line 5 of the amended paragraph now refers to "0.4 μ / μ l" while the original text recites "0.4 μ g/ μ l". Thus, the amendment does not comply with the requirements of 37 CFR 1.121(b). In response to this Notice, an amendment to the specification complying with the format set forth in 37 CFR 1.121(b) is therefore required.

2. Since the reply filed on December 13, 2006 appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121 in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
